THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Through every generation and in every nation—people have looked for peace and security. Hundreds of volumes have been written on the subject and thinkers and writers have devoted their lives to the search.

But of all these books, the Bible is most concerned with peace and security. "Fear not, for I am with you; be not dismayed for I am your God."

No man-made philosophy can banish the worries and troubles of life. But in the gospel we find assurance of His care.

God loves us. When we go to Him in humility, He cleanses us of sin. Our minds are put at ease. Peace fills our souls.

Go then to the *Book that Lives*. Through study, prayer and worship we will find that peace which has been granted to millions in every corner of the globe. Discover anew your life through the *Book that Lives*.

HOLLYWOOD (AP) — Why is television largely a man's world? There can be no doubt that it is. Take a look at the girls who star in today's TV shows. A paltry number compared with the male stars.

Let's see — there are Dinah Shore, Loretta Young, Gale Storm

Ann. Sothen, Donna Reed, Pauline. Spring Byington. Of 6 shows now being filmed in Hollywood, only three can boast female stars.

How come? I asked Herb Gordon, big gun in the Ziv-TV outfit. The company has such shows as Seat Hunt, Highway Patrol and the new, "Way Out."

She came West to do a matinee theater on TV, and that's how she got an important role in 20th-Fox's "Rally 'Round the Flag, Boys." That led to her present role as Danny Kaye's daughter in "Five Little Pennies." She's now earning \$750 a week.

Bowl Bids, Loop Titles Hinge On Contests Today

Top-Ranked LSU Tigers Out To Pad Win Streak

By SHELTON SAKOWITZ
AP Sports Writer

Six undefeated teams put their records on the line while others went after league titles or possible bowl bids as showdown games dotted the collegiate football front today.

Top-ranked Louisiana State and Rutgers, rated No. 19 in the weekly Associated Press poll, were the lone major unbeaten and untied schools. Iowa (No. 2), Army (No. 3), Auburn (No. 4) and the Air Force Academy (No. 10) were undefeated but tied.

LSU Seeks Ninth
LSU (8-0), aiming for the Southeastern Conference championship and a Sugar Bowl berth New Year's Day, met Mississippi State in a night game. The Bayou Bengals bowed to the Maroons 14-6 a year ago.

Rutgers, unscathed in seven games but without injured Billy Austin, played the Quakers. The Scarlet Knights also had bowl ambitions.

Iowa, the Big Ten champs and heading for the Rose Bowl, was host to Ohio State, last year's title. The Hawkeyes (6-0-1), who have been led only by the Air Force, were out to avenge last season's 17-14 setback at the hands of the Buckeyes, which cost Iowa the Big Ten diadem.

Army, with six victories and a stalemate with Pitt, didn't figure to encounter much resistance from Villanova. For the Cadets, it was their last game before clashing with Navy Nov. 29 in Philadelphia.

Auburn Still In Running
Defensive-minded Auburn (6-0-1) hoped to keep its Southeastern Conference hopes flickering against Georgia. A victory by the Tigers, combined with an LSU setback, would boost defending national champion Auburn into first place in the SEC. Auburn led only by Georgia Tech, is on NCAA probation and ineligible for bowl bids.

The Air Force Academy, boasting five victories and the deadlock with Iowa, faced a possible tie in Wyoming. The Skyline Conference pacemaker, the Falcons from Denver, were considered a top candidate for either the Cotton or Gator bowls provided the Air Force brass in Washington approves.

In Friday's lone major game Maryland defeated Miami 26-14 in the Orange Bowl. John Forbes, running back for the Terrapins, scored three touchdowns.

The Hurricanes went reeling to their sixth defeat in seven games. Maryland's victory was its third against six losses.

Terps Stand Attack
Southpaw Bonnie Yarborough passed 79 yards to Bob Rosbaugh for Miami's second touchdown in the final quarter to bring down the Hurricanes to within 20-14. But the Terrapins clinched the Miami attack and won the game.

The Terrapins overcame a 7-0 deficit to move in front at half-time 13-7 as quarterback Dick Scarbath triggered the drives.

Forbes, in registering the Terps' first three TDs, scored on runs from the 8, 1 and 4. Rosbaugh tallied Miami's first touchdown, carrying over from the 10.

Orange Bid At Stake
The Big Eight title and the host role in the Orange Bowl were at stake at Norman, Okla., where the sixth-ranked Sooners, undefeated in 69 consecutive league games, faced upstart Missouri. The game was regionally televised in the Big Eight area.

Texas Christian (No. 9) and Rice (No. 17), co-leaders of the Southwest Conference, were determined to continue their winning ways and set the stage for a showdown. TCU, opposed Texas while Rice engaged Texas A&M. TCU and Rice came to grips next week in a game that should decide the title and a Cotton Bowl berth.

Mississippi (No. 7), hopeful of nods from either the Cotton, Orange or Gator bowls, faced SEC rival Tennessee. North Carolina (No. 11), winner of six straight and also a bowl possibility, took on Notre Dame.

The other members of the top 10 to see action were Wisconsin (No. 5) against Illinois as the Badgers sought to solidify second place in the Big 10 and Purdue (No. 8) vs. Northwestern (No. 13) in a regionally televised fray.

Other games involving bowl contenders included Syracuse (No. 12) vs. Colgate, Pitt (No. 14) vs. Nebraska, SMU (No. 15) vs. Arkansas, Florida (No. 18) vs. Arkansas State and Georgia Tech (No. 20) vs. Alabama.

Tony Anthony Future Bright After Victory

By MURRAY ROSE

NEW YORK (AP)—A bright new day dawned for Tony Anthony, fighter by trade and jazz buff by avocation.

Manager Ernie Braca turned his punching protégé loose into the wide wonderful world of jazz as a reward for bopping Sonny Ray into defeat at Madison Square Garden Friday night. A rousing finish in the last three rounds earned the top-ranking light heavyweight contender the unanimous 10-round verdict and his seventh straight victory.

Seeks Opponents
"Go take your sax and bongo drums and make merry until the first of the year," said the manager to his handsome gladiator. "Meanwhile I will try to line up Roy Harris or Willie Pastrano for late January or February."

Anthony, a sleek 177½-pounder, didn't look ready for Heavyweight Champion Floyd Patterson Friday night. But he turned in a workmanlike performance in disposing of Ray, a dangerous 172½-pounder with a sneaky right hand wallop.

Ray, 22, who stands 5 foot 11 compared to Anthony's 6 foot 1, gave the 4-1 favored New Yorker a rugged evening until the eighth round. In the eighth, Anthony caught Ray with a jarring left hook to the jaw and then turned loose a barrage to stagger his rival.

Couldn't Floor Rival
Tony couldn't floor the Chicago gamewaster but he dealt his rival a sound pasting the rest of the way to turn a close, lively fight into a solid victory. The scorecards showed: Referee Harry Kessler, 6-3-1, Judge Joe Agnello, 7-3, Judge Nick Gamboli, 5-4-1, and AP, 7-3.

The defeat snapped Ray's win streak at nine. His record now is 18-5-3.

Anthony, 23, has a 37-5-1 record. It was only his ninth victory by decision. He has scored 28 knockouts.

DIAMONDS INCREASE BOLT-FORGE MARGIN

Diamonds stepped up their lead to two games in the Bolt & Forge Mixed Bowling League with a 3-0 sweep over Clubs while runner-up Hearts took a 2-1 decision over Spades.

Bill Treiber of Hearts (196-469) and Barb Sarver of Diamonds (146-347) and Esther Bucy of Spades (130-362) took scoring honors.

Other team leaders were Art Redhead, 158-448, Diamonds; Pauline Perkins, 110-286, Hearts; Jack Perkins, 170-418, Spades; Juanita McFarland, 142-334, and Herb Sarver, 170-418, Clubs.

Virgil Akins Too Tough On Sparring Partners
CARLINVILLE, Ill. (UPI)—Virgil Akins, the welterweight champion in training here for a title defense against Don Jordan at Los Angeles, Dec. 5, lost his second sparring partner Thursday when Willie Dillon quit because Akins was "working me too hard." Last week Wilbert Robinson quit for the same reason.

Breedlove, Shaffer Star Defensively For Victors

MIAMI, Fla. (AP)—"Miami's as good as any team we've played with the exception of Auburn," said Maryland Coach Tommy Monl after his Terrapins had whipped the Hurricanes, 26-14, last night.

"Miami scared us to death this week," Mont added after Maryland's third victory of the season gave them a 3-6 record.

Win Convincingly
However, the Marylanders won in convincing fashion as they ground out 343 yards rushing and 66 through the air in rolling up 25 first downs to 10 for Miami. The Hurricanes gained 136 yards on the ground and 116 by passing. Miami's Andy Gustafson whose team has lost six of seven games this season, said, "We were behind 20-14 and had a chance to win when (Bob) Layman kicked that punt that rolled down on our four yard line. That did it."

"They just overpowered us," Gustafson added. "I had been warned that they had the potential, and they just jumped up in there and we couldn't stop them."

John Forbes was the dynamo in the Maryland backfield, carrying the ball 24 times for 95 yards. Jim Joyce picked up 86 yards in 8 carries and Layman gained 52 in 12 attempts.

Breedlove, Shaffer Star
Rod Breedlove, a 215-pound guard, from Cumberland, Md., stood out in the Maryland line, making six tackles and one assist. Ron Shaffer, another Cumberland product, made four and Tom Cumberman stopped Miami ball carriers twice and had two assists.

Miami completed 6 of 15 pass attempts for 119 yards but two interceptions hurt. Breedlove got one of them and Jim Haller took the other.

The bright spot for Miami was Bonnie Yarborough's 77-yard pass to Bob Rosbaugh. "It was the third longest since Miami fielded its first team in 1926, and made the score 20-14."

Miami still had a chance but not for long as Maryland scored again and had the ball on the Hurricanes' 33 as the game ended.

Liquor Leaders Score Shutouts

Spa Bar and Frank's Tavern continued their neck-and-neck battle for first place in the South End Liquor Dealers League this week, both teams scoring shutouts on the Capital alleys. Pacing Spa rapped VFW and Frank's defeated DAV.

Lynn and Racey defeated Fourth District Democratic Club and King's Tavern won over Wonder Bar in 2-1 matches.

Five howlers went over the 500 mark for a set and Tom Denlinger of Lynn & Racey whipped up a sizzling 259 game, although relinquishing set honors to Charley Robinette's 548.

Other leaders were Ed Conn, 219 and Tom McGeady, 545. Spa: Lou Willison, 211-468, DAV: Bulch Johnson, 192 and Cecil Grimes, 515, VFW: Charley Harper, 195-471, King's: Diz Snyder, 185 and Boyd Oss, 501, Frank's: Joe Reimier, 185 and Junior Payne, 460 Wonder Bar. Standings:

Bayer, Pacing Open, Wants To Be Champ

By WILL GRIMSLEY

HAVANA (AP)—Big George Bayer is not satisfied at being acclaimed the longest hitter of the ball golf ever known. He wants to be a champion.

"Long drives in themselves do not pry off," the towering former University of Washington tackle said today as he prepared to defend his 2-stroke lead in the \$45,000 Havana International tournament.

"The money comes from scores and I want to become the complete golfer."

Score Pays Off
The score paid off for the 6 foot 5, 240-pound athlete Friday. He fired a 6-under-par 64 which included a double eagle to forge to the front of 43 hand-picked professionals in this Caribbean invitational tournament at the Villa Real Golf Club.

Bayer had a 36-hole score of 139 which gave him two shots over tough Doug Ford of Yonkers (N.Y.), 1957 Masters champion, and boyish Tommy Jacobs of Monte Bello, Calif., a newcomer on the tour who were tied at 141.

Redhot favorite Sam Snead was still in a contending position with a 142 where he tied with Billy Maxwell of Dallas and Jay Hebert of Lafayette, La. Louisiana PGA champ Dow Finsterwald of Athens, Ohio, and Bill Casper Jr. of Chula Vista, Calif., who had 72s back to back were next in line with 144s.

Course Is Rugged
Bayer had one of the most phenomenal rounds ever shot on a professional tour. It was below the record of 60 held by half a dozen pros but it was not made on one of the easy wide open courses which mark part of the tour.

Villa Real is a rugged 7,000-yard test which is similar in some respects to the seaside courses of Scotland. It stretches along Florida Straits with stiff winds constantly blowing in from the seas.

The final two rounds were scheduled today and Sunday.

QB Problem Critical For Pro Elevens

By JIM KENSIL
Associated Press Sports Writer

The quarterback situation in the National Football League is still troubling.

In pro football the quarterback is comparable to the pitcher in major league baseball. If you do not have a good one, you're in trouble.

Situation Lined
Yet here is the situation as the NFL hits the two-thirds mark of the 1958 season with a full schedule of six games Sunday:

The Baltimore Colts are at Chicago for a Western Conference showdown with the Bears. Johnny Unitas, the Colts' star quarterback, is still on the injury list. The Bears, who have lacked a really superior signal-caller since Sid Luckman retired a decade ago, again must go with a combination of Ed Brown, Zeke Bratkowski and George Blanda.

The Cleveland Browns, beaten 17-0 straight because their passing game could not bail out a stalled running attack, are at the Washington Redskins, who got the word Friday that No. 1 quarterback Eddie LeBaron was ailing and not being counted on to face the Browns. Either little-used Ralph Guglielmi or untested Rudy Bukick will have to guide the Redskins if LeBaron fails to recover from a flu-type attack.

Plum Lifted
The Browns will again go with Milt Plum; but last week he had to be lifted for rookie Jim Ninowski when unable to pass effectively in the Browns' loss to the Lions. San Francisco, with Y. A. Tittle back at the helm amid reports his morale needs boosting, is at Detroit, where "Toin Rotie," perhaps the top all-around signal-caller in the league awaits them.

The Chicago Cardinals, with veteran Lamar McHan and rookie M. C. Reynolds alternately losing the QB job, are at Philadelphia. Norm Van Brocklin, former Los Angeles star, can still throw that ball for the Eagles, but he is at a definite disadvantage in this era of running quarterbacks.

Green Bay, able to score only one touchdown in the last two games under the direction of Babe Parilli and Bart Starr, is home to the Los Angeles Rams and the much-improved Billy Wade.

Conerly Erratic
Only at Pittsburgh, where the charged-up New York Giants meet the Steelers can a top quarterback battle be expected. And then it will be only if the oft-erratic Charley Conerly of the Giants can continue his standstill play of the last two weeks.

Bobby Layne, who will guide the Steelers, couldn't connect for a TD pass for three games after coming to Pittsburgh in a trade, but he has thrown for seven in the past two games.

The Giants (5-2) are tied with Cleveland for the Eastern Conference lead and are four-point favorites over the Steelers (3-4). The Colts (6-1) have a capable replacement for Unitas in George Shaw, but even with three scoring strikes last week, Shaw was unable to beat the Giants. Baltimore's 24-21 loss tightened the Western race, and the Bears (5-2) have much the better of the schedule the rest of the way.

Eichhorns Spread Coney Dux Lead

Eichhorns continued to run away with the race in the Lonecon Bowling League, marking up a 3-0 shutout over Groves to stretch their lead to six games. Ed Johnson led the white washing with a 247 game and 591 set.

Runnerup Republican Club fell to third place as Liberty Trust took over second with a 2-1 victory over the GOP. White Way Inn swept Stakems, 3-0, to move closer to the first division.

Team scoring leaders were Jake Wilson, 171-471, Groves; Larry Fazenbaker, 167-446, Liberty Trust; Bob Mason, 191-444, GOP; "Rip" Nicol, 191-506, Stakems; Joe Dohm, 232-549, White Way. Standings:

Eichhorns W 1, L 0 White Way W 1, L 0
Liberty Trust W 1, L 0 Groves W 1, L 0
GOP W 1, L 0 Stakems W 1, L 0

Tenpin Pacers Score 2-1 Wins

Prestige and Explorers kept close in the Kelly Tenpin League as both chalked up 2-1 victories. Pacing Prestige edged Celebrity and runnerup Explorers slipped by Saf Trac while Road Trac took a 2-1 decision over Super Flex.

Spilling the most pins for their teams were John Smith, 210-563, Prestige; Charles Crabtree 193 and Tom Harding 330, Celebrity; Curt Brant, 200-509, Explorers; Zee Dinning, 191-528, Saf Trac; Jack Nichols 192-192, and "Chief" Lasher 504, Road Trac. Bing Neel, 172-486, Super Flex. Standings:

LaSalle's 'Cardiac Kids' Again One-Point Victors

LaSalle High's "Cardiac Kids" pulled out another one-point football victory last night, this time against the Altoona (Pa.) Catholic eleven, 7-6, on the Marauders' Cricket Field before an estimated 2,000 fans.

A 54-yard pass-run play executed by sophomore quarterback Carroll Wilt and halfback Rich Murray brought the lone LaSalle TD in the second quarter while again it was the truly right foot of Joe Footen that provided the winning margin.

Second In Row
Footen had booted the game-winning tally just last Saturday night in the come-from-behind 14-13 conquest of Moorefield at the stadium. Ironically, it was Footen who missed his second try against Ridgeley two weeks ago that cost the Explorers a 14-13 setback to the Blackhawks instead of a deadlock.

The triumph was the third in nine games for the charges of coach Norm Geatz and their second in a row. LaSalle will be idle now until taking on Beall at Frostburg on Turkey Day.

Altoona, entering the contest as a strong favorite, was winding up its season and took a record of six wins and only two setbacks into the fray.

Altoona Takes Lead
The Keystone Stalers took a 6-0 lead in the second heat when quarterback Pat Miller passed 33 yards to left end Lawrence Henry in the end zone. Don Smith's conversion attempt was wide.

Altoona kicked off to the invaders and Jack Bahen returned the boot to the LaSalle 46. Then Wilt connected with Murray on a 30-yard heave and Rich raced the final 24 yards to paydirt with the tying TD. Footen's placement split the uprisings and the game was decided within the space of a few minutes.

Second-Half Handley Spurt Conquers Beall Eleven, 21-6

Mixing up a passing game with a running attack, Handley High's Judges staged a strong second-half rally to whip the Beall Mountaineers, 21-6, last night in Frostburg. The victory was the seventh in nine starts for the Virginians.

while the Mounties were dealt their fourth loss in nine games, one contest being a tie.

The Judges, who have been beaten only by Westminster and Fort Hill, stretched their winning streak to four with last night's triumph. Beall is now idle until the Thanksgiving Day clash with LaSalle in the Mountain City.

All of last night's scoring came after the intermission with the Judges getting TDs on a punt return, pass and two-yard plunge. Beall's six-point came in the closing minutes when halfback Bill Hyde went across from three yards out.

Beall's initial scoring threat came in the first quarter when Hyde ran 57 yards to the Handley 23 before being pulled down from behind. The Mountaineers advanced to the 13 but there the Judges took over on downs.

In the second period, Handley drove to the three and with fourth down and goal to go, Jim Evans intercepted Donnie Oates' pass as the half ended.

The Winchester team crashed the scoring column in the third period when Ben Butler returned a punt 76 yards for the TD. He was awarded good blocking on his long gallop.

Early in the final period, a 51-yard pass play executed by Oates and Greg Dick produced Handley's second score and Doug Rainsberger's conversion gave the visitors a 14-0 edge.

A Beall fumble on its own 27 set up the third Handley score. After the Judges recovered, Oates carried three times and reached the two, then went over on the next play. Rainsberger's conversion made it 21-0.

Beall averted a shutout in the closing minutes when Hyde scored from the three to climax a long drive. Highlighting the rally was a 23-yard pass from Hyde to Gene Zumpano, who was stopped on the 12. Hyde picked up eight yards in two plays and then scored from the three on third down. Bruce Smith's kick for the point was wide.

Del's Boosts Edge With 3-0 Shutout
Del's lacked a game only its lead in Del's Tenpin League with a 3-0 sweep over Ralph's while John's were edging Jack's, 2-1.

High games and sets were won by Jean Brinkman, 191-485, and Del Mongold, 233-610. Standings:

Leader Named For Mothers Dimes March

County Appeal Set For January 28; Volunteers Needed

Mrs. Elizabeth Nave, 908 Bedford Street, has been selected to head the 1959 Mothers Dimes March, according to Louis V. Shinnamon, Allegany County chairman for the March of Dimes.

Mrs. Nave, who has been active in previous March of Dimes campaigns, has already begun contacting volunteers for the house-to-house solicitation, which will take place Monday, January 28. The Mothers March traditional winds up the March of Dimes campaign, Mrs. Nave pointed out in making an appeal for volunteer workers. She explained that the national foundation has expanded its program to four target areas: now that the Salk vaccine has helped conquer polio.

Speed Program Aid
"We must assure early development of patient aid programs for children suffering from arthritis and birth defects (congenital malformations)," Mrs. Nave said, "keep faith with disabled polio patients and speed research to prevent these and other afflictions." No longer marching on polio alone, we hope to mobilize many women who are concerned with the healthy growth of children and the building of a stronger America.

"The Mothers' March gives us the opportunity to do more than just look wistfully forward to a time when scientific discoveries will prevent crippling diseases from attacking our children. We can speed that hopeful day by demonstrating the strengthening of our partnership with the men of science. We can—and we must—support their efforts with greater voluntary contributions to the March of Dimes in January."

Traditional Sign
During the Mothers' March here, home owners will be asked to signify their desire to contribute to the March of Dimes by turning on their porchlights or lamp leaving a lighted candle or lamp in a front window. Apartment dwellers can tie a handkerchief or ribbon to their doorknobs in signal of their intention to give, Mrs. Nave stated.

Women who wish to assist with the solicitation may contact either Mrs. Nave or the Allegany County League for Crippled Children.

John Foley Victor By 4,304 In Sixth District Contest

BALTIMORE (AP)—The complete, official canvass of the Nov. 4 election returns gave Republican Sen. J. Glenn Beall a margin of 14,744 votes over Thomas D'Allesandro.

Except for vote totals, the canvass left unchanged the Democratic sweep of three of the four statewide offices, three congressional districts and all but 10 seats of the General Assembly. The vote in the 3rd, 4th, 5th and 7th districts still is not official.

Tawes Far Ahead
In the other three statewide races, J. Millard Tawes defeated James P. Devereux by a record majority of 206,867 votes. C. Ferdinand Sybert won by 225,440—the largest margin of any candidate—over Robert A. Wallace, and Louis L. Goldstein defeated John A. Derr by 133,646 votes.

In the main race, Sen. Beall polled 382,016 votes to 367,272 for D'Allesandro. He ran 45,701 votes ahead of the Baltimore Mayor in the counties and lost Baltimore City to D'Allesandro by 50,957.

Tawes was victorious everywhere, sweeping the counties by a margin of 116,507 votes and the city by a majority of 90,360 for a total vote of 485,042 to 278,175 for Devereux.

Sybert, the most popular candidate, failed to get a majority only in Garrett County. His statewide total was 457,771 votes to 232,331 for Wallace.

First District Close
Goldstein drew 411,860 votes to 278,214 for Derr. Goldstein won 19 of the 23 counties for a lead of 83,147 and added 70,499 more votes in Baltimore.

The closest major race in the state was the 1st District on the Eastern Shore where Democrat Thomas F. Johnson nosed out incumbent Rep. Edward T. Miller by 1,218 votes. The totals were 32,828 for Johnson and 21,610 for Miller.

Johnson won five of the nine shore counties—Cecil/Dorchester, Queen Anne's, Wicomico and Worcester and lost Caroline by only 14 votes. Miller's biggest majority was in Somerset where he won by 375 votes.

In the 6th, Western Maryland District, John Foley unseated Rep. Devell S. Hyde 78,987 votes to 74,683. And in the 2nd District, Daniel Brewster defeated Republican File Symington, 87,667 to 56,165.

Towns Seek Regulatory Truck Power

SALISBURY (AP)—Some 200 officials of cities and towns throughout the state will close their 11th annual convention today after electing officers and probably reaffirming their request for legislative authority to regulate truck traffic.

About the only resolution up for consideration at the closing session of the Maryland Municipal League is one to give cities and towns regulatory powers over the movement of trucks through their limits.

Yesterday, State Sen. Fred Malkus (D-Dorchester) told the delegates, the Legislative Council's Judicial Proceedings Committee declined to support the proposal because it felt local authorities might misuse the power.

The league wants the authority for its member cities so they can control movement of trucks on the basis of weight. Executive Secretary Edmund L. Mester said local officials want to protect residential streets.

"We'll try to get some member of the General Assembly to introduce a bill when the session opens," Mester said.

If such a bill is offered, Malkus said, his group will ask for hearings to oppose it.

Another league-backed proposal—a bill to give cities and counties power to undertake urban renewal projects—drew enthusiastic backing from Malkus.

It would require a constitutional amendment and a three-fifths vote of both houses of the Legislature for approval. Then the proposal would go on the ballot at the 1970 general election.

Bar Drinking Plan Studied

DAVIS, W. Va. (UPI)—The West Virginia League of Municipalities was expected to be asked today to endorse proposed legislation to legalize over-the-bar sales of liquor in the state.

The league is holding its annual meeting at nearby Blackwater Falls State Park.

The liquor proposal was drafted by representatives of Wheeling, Moundsville, Follansbee, Weirton and Glendale. The same group recommended a state income tax of 1 per cent of an individual's salary to increase state revenues.

The proposal on liquor-by-the-drink legislation would allow local voters to decide for themselves whether they want to legalize whisky sales.

The league meeting continues through Sunday with election of officers scheduled today.

Far Eastern Missionaries To Speak At Local Church

Rev. and Mrs. Howard C. Osgood, missionaries to the Far East for 28 years, will be the featured speakers at the First Assembly of God Church, 21 Elder Street, today at 7:30 p. m., according to Rev. Arthur Vespa, pastor of the church.

The Osgoods will relate some of their experiences and will tell of the progress of missions in the Far East. They are under appointment of the Foreign Missions Department of the Assemblies of God with headquarters in Springfield, Mo.

Started In 1930
These veteran missionaries undertook foreign service first in Yunnan, Southwest China in 1930, where they established a church in the interior along the upper reaches of the Yangtze. Recalling those early years, they have this to say: "Those years were full of unrest due to the roving Tibetan bands, and later to the retreat of Communist armies which Chiang Kai-shek even then was chasing through the province."

The second term was spent in Kunming. There they saw another church established, but this was later demolished when the Japanese Air Force bombed the city. The Osgood home was also destroyed.

In 1946 Osgood was elected field secretary for China. Under his leadership the China Assemblies of God was organized and Bible schools were established for the training of national ministers. In collaboration with his co-worker, Matthew Lee, Osgood translated 300 hymns into Chinese and published the book, Salvation Songs, popular now in many countries among Chinese Christians.

Field Secretary
In 1949 Osgood was appointed field secretary for the Far East, dividing his time between visiting the fields under his supervision and presenting the needs of the Far East to the home constituency. Both he and Mrs. Osgood have taught on the faculties of Bible schools in Hong Kong, Manila, Tokyo, and Taipei in Formosa.

Before going into missionary work Osgood was pastor of churches in Ohio and South Dakota. He also has served on the faculty of Bethel Bible School, and Central Bible Institute. He has twice been editor of the Missionary Challenge—now the World Challenge—published by the Foreign Missions Department of the Assemblies of God. He is a composer of a number of hymns, one of which "Touch Him and Be Made Whole" appears in the hymnal, Melodies of Praise. He is a pianist of ability.

The Osgoods plan an early return to the Orient, this time to Malaya where they have been asked to establish a Bible school in Kuala Lumpur for the training of national workers.

LaVale Area TV Officers Are Selected

Approximately 100 citizens of the LaVale area attended a meeting last night at the LaVale Fire Hall to discuss the installation of a community television transmission system.

M. C. (Bud) McKenzie has been serving as temporary chairman of the UHF-TV system for the LaVale area.

Mckenzie said a steering committee for LaVale has been working on the project along with other similar groups in Allegany County.

Mckenzie stated last night that the study conducted by the steering committee reveals that an installation which will provide four channels can be completed for approximately \$60,000. This cost, Mckenzie said, can be covered by individual contributions from citizens of the interested areas.

Kenneth Close, president of the Frostburg Community Television Inc., advised the LaVale group that Frostburg has already erected a unit on Dan's Mountain and is serving that community with one channel.

Close said residents of Frostburg are anxious to extend its coverage to four channels and pointed out this can be done in conjunction with the installation planned by neighboring areas.

John Barton Jr., president of the Cresap town area project, also attended the meeting.

Officers of the LaVale group elected last night were Mckenzie, president; Walter N. Hedrick, vice president; Mrs. George Dressman, secretary; C. A. Fisher, treasurer; and Harry W. Kruper, assistant treasurer.

Directors named were: Mrs. Helen Zeachbach, James Walburn, Ralph Hampson, James Straw and Kenneth J. Williams.

Pennsylvania Man Victim Of Truck Crash

Machine Goes Out Of Control After Striking Culvert

A truck crashed on U.S. Route 40 about six miles east of Cumberland yesterday afternoon with one man being killed and another injured.

Harry B. Bryner, about 25, of Farmington, Pa., died as the result of a broken neck and a crushed chest. Bernard Friend, 23, of Friendsville, a passenger in the truck, was treated at Sacred Heart Hospital for lacerations of the scalp and multiple bruises.

State Police said Bryner was driving an open-bed truck toward Cumberland and when he made an improper pass across a double line the vehicle's rear dual wheels hit a culvert. The truck went out of control and after knocking down six guard rails and 10 fence posts, plunged down a 45-foot embankment.

Bryner was found in the bed of a small stream and under the vehicle, according to Trooper Kenneth Messner, who investigated the accident. He said the truck was being operated at too fast a speed and went out of control when swerved across the double center line of the highway.

The two men were taken to the hospital by the Flinstone Volunteer Fire Company ambulance. Dr. Benedict Skitarelic, deputy medical examiner, pronounced Bryner dead at the scene of the crash. The medical examiner was driving home when he came upon the scene.

Bryner's body was sent to the Gleason Funeral Home in Uniontown.

Paper Firm Makes Final Wage Offer

WASHINGTON—The West Virginia Pulp and Paper Company this morning made its best and final offer during negotiations here with the United Paperworkers Union.

A spokesman for the company said the offer to the union includes an increase in wages, improved insurance benefits and an improved vacation plan.

The proposed vacation plan will be three weeks vacation after 10 years of service, as compared to the present plan of three weeks after 15 years.

The wage proposal for workers at the Luke mill calls for an average increase of 6 to 7 cents per hour. The present scale at Luke ranges from \$1.78 to \$3.17, whereas the proposed scale is from \$1.82 to \$3.28.

The offer, one of the negotiators said, has neither been accepted nor rejected by representatives of the United Paperworkers Union.

Meeting with the negotiators was Federal Mediator Gilbert McCutcheon who is continuing also to review the respective positions of the two sides.

McCutcheon entered the case yesterday and after one session with the negotiators had planned to confer separately with each side.

However, the company's wage offer, made for the first time yesterday, resulted in further general sessions today. Until yesterday discussions generally had involved working conditions and other interpretations of the contract.

Wage boosts offered by the company range from 5 to 8 cents an hour. The company plants involved in the dispute are at Covington, Va., Luke, Md., and Williamsburg, Pa.
